After you submit online

A reviewer makes a provisional decision within 15 working days. If positive, you can use the Green Games Seal for this edition from that date. After your event, submit the post-event confirmation within 30 days, or the certificate is withdrawn. That second form also asks for two uploads: your travel information and two photographs of your waste separation. **Level 2** also submits the final carbon result and the published post-event report (within 90 days).
